I, Hannibal son of Amilcar Barca  
 On this Europe Day  
 I received with joy and emotion  
 A large number of activity works,  
 Each one magnificent,  
 Made by young people from the regions of  
 Cartagena in Spain, France and Italy  
 You have found the road of Hannibal  
 Thank you all forever,  
 May Melqart favor you for this !

Hannibal Barca sculpted by Jun-Sik Ahn
